RE: MOTSENG INVESTMENT HOLDINGS BECOMES A SIGNATORY TO THE UN WOMEN WOMEN'S EMPOWERMENT PRINCIPLES (WEP) INITIATIVE

Johannesburg, 01 October 2020

Motseng Investment Holdings is delighted to announce its commitment to the United Nations Global Compact and UN Women, Women's Empowerment Principles (WEP) initiative at a signing ceremony in Midrand, Gauteng today.

Over the past 22 years, Motseng has become a leader in the built environment and in gender mainstreaming in this sector. As a Southern African investment group Motseng has identified the WEP initiative as a very important step to further improving and amplifying the "Case for Gender Mainstreaming" in our business, communities and country at large.

The Motseng Group CEO, Mrs Ipeleng Mkhari commented, "We are excited about this important partnership as we embark on a new Post Covid-19 path as an organisation. The Covid-19 impact has been devastating to Women in particular and we believe our UN Women WEP partnership provides further opportunity for Motseng to continue to advocate the WEP Principles."

The Seven Women's Empowerment Principles are:

- High Level Corporate Leadership
- Gender Equality in the Workplace
- Employee Health, Well-being and Safety
- Education and Training for Women
- Enterprise and Supply Chain Development and Marketing Practices
- Equality through Community Advocacy
- Measurement and Reporting

Ms Mamase Khanyile, Motseng Group Human Resources Executive noted that, "Motseng is pleased to join a growing group of South African businesses as a signatory to the UN Women WEP Initiative. We wish to assure our valued stakeholders, that Motseng remains focused on its commitment to building a successful, gender mainstreamed environment for all our stakeholders."

We trust that you celebrate this milestone with us. We look forward to your ongoing support, and a continued professional and mutually beneficial relationship in the future.

Motseng Investment Holdings is a majority black woman owned and managed group with a Level 1 BBBEE rating. Motseng operates in the SADC region and has a diversified investment holdings portfolio of interests in property, infrastructure, telecommunications, engineering, energy and renewables
